SUPPORT	Amendment E: Extend Homestead Exemption to Gold Star Spouses	Reduce property taxes for the surviving spouses of both United States Armed Forces service members who died in the line of duty and veterans who died as a result of a service-related injury or disease.
NO POSITION	Amendment F: Changes to Charitable Gaming Operations	Reduce from five to three the minimum number of years a nonprofit organization must be in operation in Colorado in order to apply for a bingo-raffle license, and authorize the state legislature to establish a different requirement beginning in 2025; and allow, but not require, a member of a nonprofit organization who is managing or operating a bingo-raffle game (bingo-raffle worker) to receive compensation up to the minimum wage, before repealing restrictions on compensation beginning July 1, 2024.
SUPPORT	Proposition FF: Healthy School Meals for All	Create the Healthy School Meals for All program to provide access to free meals for all public school students in Colorado; and pay for the program by increasing the taxes paid by households with incomes of \$300,000 or more and by using additional federal funding for school meals.
SUPPORT	Proposition GG: Add Tax Information Table to Petitions and Ballots	Require that a tax information table appear on the petition and ballot for any citizen-initiated measure that changes the individual income tax rate.

NO POSITION	Proposition 122: Access to Natural Psychedelic Substances	Creates a natural medicine services program for the supervised administration of dimethyltryptamine, ibogaine, mescaline (excluding peyote), psilocybin, and psilocyn; creates a framework for regulating the growth, distribution, and sale of such substances to permitted entities; creates the Natural Medicine Advisory Board *Visit the Blue Book for more in-depth details
SUPPORT	Proposition 123: Dedicate Revenue for Affordable Housing Programs	Set aside a portion of annual state income tax revenue for affordable housing programs; exempt that money from the state's revenue limit, thereby reducing the amount of money collected above the limit that is returned to taxpayers; and establish eligible uses for this money.
NO POSITION	Proposition 124: Increase Allowable Liquor Store Locations	Allow retail liquor stores to apply to state and local governments to open additional locations on a phased-in schedule, with no limit on the number of permissible locations after 2037.
NO POSITION	Proposition 125: Allow Grocery & Convenience Stores to Sell Wine	Allow grocery stores and convenience stores that sell beer to also sell wine, by automatically converting beer retail licenses to beer and wine retail licenses, beginning March 2023.
NO POSITION	Proposition 126: Third-Party Delivery of Alcohol Beverages	Allow third-party companies to deliver alcohol directly to customers on behalf of grocery stores, convenience stores, liquor stores, bars, restaurants, and other liquor-licensed businesses; and permanently allow takeout and delivery of alcohol from bars and restaurants, which is currently scheduled to repeal in 2025.
